Press- Release

Ranchi - 09-10-2020: It was an awesome moment for HEC when it was announced that HEC has secured the position of L1 in one of its **high-value** quoted Projects for Coal Handling Plant. The price bids of the Coal Handling Plant Project at Gevra, South Eastern Coalfields Limited (SECL) were opened and against stiff competition, the price quoted by HEC i.e. Rs 615 Crore was declared L1. Dr. Rana S Chakravarty, Director (Marketing & Production) patted the team. It is a matter of pride for each of an HECian as this order shall be one of the large size single orders secured in last 15 years. The Orders in hand of HEC shall rise up to approx. INR 1800 Cr. In the previous month too, HEC had bagged order for a CHP at NCL worth approx. Rs 160 Cr.

The Coal Handling Plant project at Gevra is an expansion project of SECL which shall enhance its capacity from 35 MTPA to 70 MTPA. The scope shall involve planning, design, engineering, construction, fabrication, erection, supply, installation, testing, trial run, commissioning and operation & maintenance for five years.

The Project shall include Conveyors (approx. 10 km), Receiving Hopper, two nos. of Silos (3000T each) along with Rapid Loading system, Overhead Bunker (35,000T), Plough Feeders and Electrics comprising of PLC Automation with state-of-the-art technology along with other facilities on turn-key basis. The period of completion of the project is 2 years.

It shall not be out of place to mention that in the previous financial year, HEC bagged two separate orders of Turn-key Projects worth Rs 250 Cr. from Vizag Steel Plant.

In the past, HEC has executed prestigious projects of Coal Handling Plant and Ore Handling Plant of up to 10 MTPA capacity for subsidiaries of CIL and SAIL. HEC is a trusted name in the Mineral beneficiation sector and its Project Division has the competence to undertake concept to commissioning of Bulk Material Handling Plants of Coal and Ore.

Company Secretary/HEC
