### **01. INSTRUCTION TO TENDERERS**

1. Please study carefully the "Special Conditions" and the "General Conditions of the Contract".
2. Please visit Kolkata/Kolkata Port/ Kolkata Air Cargo Complex/Kolkata suburbs area and acquaint yourselves with the areas where work is to be done, if the contract is awarded to you. The Import and Export Department Officers of the Corporation at Kolkata will assist you in this regard.
3. Fill in the rates carefully, both in words and in figures, and in the Ink or in Typewriting in the Schedule of Rates pertaining to this Tender Form avoiding alteration/amendments and affix your signature and date on completed forms. The Contractor should note that in case of any discrepancy between rates shown in the figures and words, rates shown in words shall be considered. No erasing is permissible and any change should be noted over the signature of the tenderer.
- 4.a) Each tenderer is required to deposit with the Manager/BO/KOLKATA, Heavy Engineering Corporation Ltd, Kolkata - 700016 a sum specified in cash/demand draft towards earnest money before submitting tender as per Para 4(a) of the "Special conditions of the contract". The copy of the demand draft/ cash receipt, issued by the HEC Branch Office, should accompany the tender documents.
- b) Each tender shall be accompanied by a factual statement giving the particulars as per Clause 4 (b) of the "Special conditions of the contract" with complete data of the vehicles owned by the tenderer.
- c) Earnest money deposited by the Tenderer as per clause no. 4 (a) above will be converted into initial Security deposit against Contract awarded to the successful tenderer.
5. The following are to be attached with the complete tender forms.
  - i) Earnest Money documents vide Para -4(a) of Special Conditions of Contract

  
20-09-2022

ii) Factual statement, vide Para 4(b) of Special Conditions of Contract giving true and complete details against each item.

iii) Acceptance of the terms and conditions stipulated in the tender documents by the tenderer. With their quotations, the tenderers shall sign all specifications; General Conditions of Contract, Special Conditions of Contract, Schedule of rates etc supplied along with the tender document sets. The signature on the tenders schedule alone shall be considered as acceptance of all schedule rates, specific action and General conditions of Contract and special conditions of contract etc. forming part of the tender document

iv) Previous experience of the tenderer as Transport Contractor of Central, State Govt. Dept. and Government Undertaking furnishing their Contract No. Details of works and magnitude carried out by the Tendered, Name & address of those Central, State Govt. Dept and Government Undertaking mentioning name & designation of their official to whom reference can be made regarding their experience and performance.

6. Enclose the complete tender form and all documents as per Para – 5 above in sealed cover clearly superscribed with “Tender for Road Transportation by Trailers from Kolkata/suburbs to Ranchi”. Sealed tenders super scribed as above may be sent by registered post so as to reach the Manager/BO/KOLKATA, Heavy Engineering Corporation Ltd, 77, Park Street, Kolkata – 700016 on or before 2 pm on the scheduled date.

A tender received after 2 pm on the specified date is liable to rejection. Local tenderers may submit the tender in the tender box of the Branch Office, Heavy Engineering Corporation Ltd, 77, Park Street, Kolkata – 700016 on or before 2 pm on the specified date. Tenders will be opened at 3pm on the same date.

7. Each tender shall contain the Name, residence and place of the business of person or persons making the tender, nature of Firm and shall be signed by the Tenderer with his usual signature and stamp/office seal. Tenders by partnership firms shall be signed with the partnership name by one of the partners or duly authorized representatives, a Power of Attorney in that behalf shall accompany the tender. An attested copy of the latest partnership deeds in case of partnership firms, Memorandum and article of Association in case of public/private Ltd Company shall be furnished along with tender. Full name of the partners along with their addresses may also be furnished.
8. The Corporation reserves the right to reject any tender without assigning any reason thereof and separate communication will not be sent to any unsuccessful tenderer.

**9.Contract Period :** i)The contract will be in force normally for a period of one year subject to due performance according to the terms and conditions stipulated in the special conditions of the contract, General conditions of contracts, schedule of rates pertaining to tender documents set. Validity period of the contract may be extended beyond one year at the same rates & terms and conditions. The contract may be terminated/cancelled in an exercise of the right reserved by the Corporation, the contractor shall not be entitled to claim any special or general damaged for the Corporation on account thereof.

ii) On the termination of the contract either by offloading or time or otherwise as provided in the contract, the contractor shall deliver to the Corporation all documents/consignment/ materials/ stores relating to the said contract which shall be in his possession or contract.

AKW  
20-09-2022

## 10. Escalation:

No claim for revision of the rates in the rate of labour, equipment, running cost etc in the General Conditions of work shall be entertained by the Corporation during one year of contract .

- a) After one year, escalation/de-escalation may however, be considered in case of any statutory increase/decrease in price of fuel and lubricants as per our existing formula. The basis of the calculation for escalation of rates of fuel will be considering fuel cost as 40% of the total freight charges as per the norms of the Corporation. Escalation will be considered with respect to the price of fuel on base date, which is date of the work order as per rates indicated in [www.mypetrolprice.com](http://www.mypetrolprice.com). In the event of decrease of fuel price, the freight rate will also decrease correspondingly.
- b) Escalation/de-escalation will be freezed and fixed for one (01) year. Escalation/de-escalation may be considered only after one (01) year from placement of work order during lifting /loading of material.
- c) Transporter/Agency either agreed with same rate and same terms and conditions or Escalation/de-escalation with same rate that will be decided upon mutually agreed between Transporter and HEC after one (01) year contract period.
- d) Formula for escalation/de-escalation: Considering fuel as 40% of freight  
Escalation /de-escalation (X) % =  $\frac{(\text{Hiked fuel rate} - \text{basic rate}) \times 0.40 \times 100}{\text{Basic Rate}}$
- e) Escalation /de-escalation per MT per consignment (Y)=(X) x40% (considering fuel cost as 40% of the total freight charges)

## 11. Validity of Offer:

The quotation offered by the Tenderer should be valid for acceptance for a period of 6 months from the date of opening of Tender. If the Tenderer shall withdraw or amend the quotation /offer before expiry of the above period without the consent of the Company in writing, the earnest money furnished by him will be liable to be forfeited in full.

12. Due to change in the regulations in the Tax Deptt., **online** filing of **TP** has to be done by the transporter for transportation of imported consignments. This responsibility lies with the transporters who are to arrange it before transportation of goods.

## 13. Delivery:

The Contractor will deliver the stores/material to the consignee within 5 days (for Trailers) on receipt of challan. If the Contractor fails to deliver the stores/material to the consignee within the stipulated time, the Corporation, without prejudice to his other rights, shall impose a penalty as detailed below:

- a) To recover from the contractor for any loss which the Corporation may sustain due to failure in delivering the consignment(s) within above stipulated period. And
- b) To get the transportation work executed by any other contractor without notice at his risk and cost. In the event of such action being taken by the Corporation, the contractor shall be liable to pay liquidated damages as above and any other loss which the Corporation may have incurred on this account.

AKV  
20-09-2022

#### 14. Penalty:

- a) In case of failure to deliver the consignment as per the above schedule the contractor shall have to pay penalty of 0.5% of the freight charges per week or part thereof for delayed delivery subject to maximum of 10% freight.
- b) If the total penalty exceeds 50% of the freight, the transporter shall be considered to have failed in observing the terms of the tender. And 3 (three) such failures in a quarter of a year may disqualify the transporter for the remaining period of the contract.

#### 15. Security Deposit:

a) The Corporation reserves the right to reject any or all the tenderers without assigning any reason for doing so.

b) Security Deposit will be 10% of contract value.

The earnest money as indicated should be deposited by the Tenderer at the time of submission of his tender will be converted to Security Deposit against the contract, which will be awarded to the successful Tenderer and the balance amount towards security deposit will be deposited by the contractor within 10 days from the date of receipt of work order from the employer.

Note: No interest will accrue in respect of such deposit.

c) On due performance and completion of the work under the contract in all respect the Security Deposit will be returned to the contractor without any interest on presentation of an absolute "NO DEMAND CERTIFICATE" in the prescribed form to the Manager/BO/KOLKATA Heavy Engineering Corporation Ltd., Kolkata-700016 and upon return, in good condition without any loss/ damage of property belonging to the Corporation. In case of any breach of terms and conditions of the contract by the contractor, the Corporation shall be entitled to forfeit the said security deposit, in addition to any other right of the Corporation to claim damages for any loss suffered, as per provisions contained in clause of the "General conditions of the Contract".

d) On grant of completion certificate to the contractor, 50% of the SD shall be refunded to the contractor on his request which shall be payable within 14 days of time and the balance 50% will be retained as security against inaccuracy, omissions, shortcomings, quality deficiencies etc. On issue of no due certificate by the employer the remaining SD will be released.

#### 16. Placement of Truck

a) The contractor will place their Trailer(s) at loading point on the date and time as instructed by the Corporation and the Trailer(s) will be released by the Corporation after loading at any places other than docks. The Trailer(s) will be placed by the contractor at the loading point inside docks/warehouse within 1p.m. on date as per requisition of the Corporation; otherwise the Corporation will not be responsible, if the Trailer(s) is returned empty.

*AKV*  
20-09-2022

b) THE ROAD TRANSPORTATION WORK SHALL ALSO COVER.

- i) Placing the Trailer(s) at the loading point for road transportation the pkgs., to the destination as shown in the road transport challans. The vehicles shall be provided on the authority of a "Work Order" be issued by the authorized staff of the Corporation.
- ii) The contract or shall unleash the crane hooks and have the pkgs., in a suitable manner on the vehicle failing which the actual expenses incurred on this job shall be deducted from their bills.
- iii) The contractor shall arrange for necessary dock permit for their vehicle to enter into port area.
- iv) The contractor shall obtain necessary permit or authority from the Road Transport/Police authorities for the journeys to be performed.
- c) The road transportation work includes among other things following items of work also.
  - i). Securing the pkgs. with tarpaulin and with lashing ropes as required.
  - ii) Special care should be taken for placement of Vehicles for Imported Consignments. The transporter should ensure the placement of the vehicle at Ports/CFS/Airport etc positively on the day intimated by the Corporation, as delay in dispatch of the materials incurs heavy rent. If the transporter fails to place the vehicles within time, the rent incurred against that consignment should be deducted from the transporter's bills.
  - iii) The contractor will inform the details of vehicles to be placed along with the copy Reg. certificate of vehicle immediately after the requisition by the corporation and before the placement of vehicle.
    - d) Whenever the Trailer loaded with imported goods at the Kolkata port/ airport falls short of the carrying capacity/ utility space of the Trailer, other packages, indigenous and/or imported lying in the Corporation's office or any Godown in any other points in Kolkata and/or in its suburbs shall also be picked up.

**17. Detention :**

The contractor will place their trailer(s) to the consignee stores at destination before 12 noon on working days for unloading. The consignee will release the trailer(s) after unloading the material. The Corporation/ consignee will not be responsible if the Trailer(s) is/are placed to the consignee stores after 12 noon and not released on that date.

**i) Detention charges** at the loading point will be paid after expiry of 24 hrs (excluding date of reporting and loading). Detention charges for the detention will admissible only on the certificate endorsed on the receipted challan by the consignee stating clearly the placement and disposal time of the vehicle.

**ii) Detention charges** at the unloading point will be paid after expiry of 24 hrs (excluding date of reporting and unloading). Detention charges for the detention at the consignee's and will admissible only on the certificate endorsed on the receipted challan by the consignee stating clearly the placement and disposal time of the vehicle.

18. The Contractor shall be responsible for all losses or damages due to any cause what so ever from the time they receive the Consignment and during the period it is held

AKW  
20-09-2022

by them in transit and /or till the time the Cargo is delivered to the consignees as the case may be.

19. In case of any accident happens with the vehicle carrying material during transit due to any reason, the contractor has to arrange proper re-packing/ un-loading/ loading of the materials, if required, as instructed by the Corporation. The contractor will have to inform and discuss the matter with the Manager/BO/KOL/ Heavy Engineering Corporation Ltd., Kolkata-700016. As per the instruction/ directives of Manager/BO/KOL/ Heavy Engineering Corporation Ltd., Kolkata-700016, the contractor will ensure the proper re-packing/ un-loading/ loading of the materials and transport the consignment to the destination.
20. (i) Instruction will be issued by the Corporation or any Officer authorized in its behalf giving particulars of the Cargo and Consignments to be transported, names of the Steamers and place of delivery or dispatch etc. along with relevant documents, whenever available.
- (ii) If and when any expenses such as custom duty, port dues, port rent, Port Demurrage, crane handling charges at Port & to Local Warehouse/ Godown, Warehouse/Godown Rent, Custom Preventing Booking charges etc. which are avoidable, are incurred or losses to store or losses of claims for compensation from carrier/ Port Authorities or Insurance Company or other Authorities are occasioned on account of the negligence on the part of the Contractor or failure to place Truck(s)/ by the contract on or at loading point(s) on the date & time as per requisition of the Corporation or failure to exercise, care, diligence and economy by the contractor to ensure safety, safeguard against any damage/ breakage/ loss or materials during transportation, the Manager/BO/KOLKATA/ HEC. Ltd./Kolkata or his Nominee can after giving the contractor an opportunity to explain, at his discretion, require the contractor to reimburse the Corporation with the whole or any Part of such losses and expenses as aforesaid. The assessment of losses and the amount to be reimbursed by or recovered from the contractor bill may be determined by the Manager/BO/KOL, Heavy Engg. Corpn.Ltd., or his Nominee, Actual Losses incurred by the Corporation for the failure on part of the Transporter to place vehicle as per our requisition on the same to be fixed as detention charges payable per day per Truck whichever is higher will be deducted from the Transporter's Bills. In case however, the contractor is not satisfied with the decision of the Manager/BO/KOL, Heavy Engg. Corpn. Ltd./Kolkata-700016., or his Nominee, the matter may be referred to the higher management at Heavy Engg. Corpn.Ltd. Ranchi.
- 21) The Contractor shall be responsible for port rent accrued for any delay on his part in not supplying adequate number of suitable Trucks and for any reasons what-so-ever which results accrual of port rent and the port rent thus accrued will be payable by the contractor to the Corporation and such amount to be realized from the contractor's bills.
- 22) The contractor shall be responsible for safety of all employees or workmen employed by him on the work concerned with the contract and shall forthwith communicate to the Manager/BO/KOL, Heavy Engg. Corp. Ltd., all case of serious accidents to them or any of them how-so-ever caused and whatever occurring on the work, and shall make adequate arrangements for rendering aid to the victims of the Accident.
