

**Heavy Engineering Corporation Ltd.
Corporate Marketing Division**

No.: HEC/CM/2018/EoI/03

Dated: 03.12.18

Notice Inviting Expression of Interest (EOI) from parties interested to form Consortium and jointly participate in the tenders for nuclear power plant equipment and components

Heavy Engineering Corporation Ltd, situated in eastern part of India in the state of Jharkhand is a Public Sector Undertaking under Ministry of Heavy Industry, Government of India. It has one of the largest integrated manufacturing facilities in India and supplies capital equipment and machinery to core sectors, and executes Bulk Material Handling and Coal Washery projects on turnkey basis from concept to commissioning. The main business areas are Mining, Steel, Cement, Railways, Engineering, Defence and Space. (Website: www.hecltd.com)

In past instances, HEC had indigenously developed and supplied various components for nuclear applications. It achieved metallurgical milestones which were a first for India. HEC has huge and compatible infrastructure for manufacturing various equipments, all under one roof. HEC envisages expanding its presence in the nuclear sector and intends to also manufacture equipment.

HEC intends to form a consortium with a firm who is willing to associate for joint participation in the tenders of equipment and components for nuclear power plants.

Resourceful, reputed and financially sound firms may send their Expression of Interest (EOI) at the following address by 15:00 hrs. (IST) on 18/12/2018:-
